HUMANA, NURSING EXCELLENCE DOESN'T STAND STILL

With Humana's diverse locations and unusual opportunities for travel, nurses find outstanding variety in their careers. In Humana's 82 hospitals nationwide, we've built an envied reputation for quality in health care. One strong reason for this is the professional nurses who build their careers with Humana. Now is the time for you to be one of them.

If You Want A Change Of Scene...

Humana offers the Mobile Nurse Corps. If you like to move around and explore other locales, you can choose a 6-13 week full time temporary assignment. From Florida to Alaska...or from California to Virginia. Humana offers free round-trip travel and free or subsidized housing during your stay. And you won't lose benefits or seniority. But you'll gain the kind of knowledge that comes from new experience... in a new setting.

...Or If You Want To Put Down Roots

Qualified nurses find great opportunities at Humana. With 82 hospitals to choose from, you'll find the medical, surgical and specialty areas that utilize your skills to their fullest extent. Build your career with Humana, using our training programs and continuing education.

Call 1-800-637-2750 To Get Started

Be one of the nurses who will help to continue our fine reputation. You'll find Humana is a great place to be... whichever place you choose. For more information, please call our Nursing Department, TOLL FREE, 1-800-637-2750. In Kentucky, call collect, 502/580-3593. Or write to Jo Ann Brent, RN, Humana Inc., P.O.
